

PLFI 750 If you're looking for an island hood with a minimalistic yet modern design, the PLFI 750 is for you. Manufactured using a sleek, brushed 430 stainless steel, this hood is exceptionally durable. Even if you run it at max speed all the time, it will last you many years. The hood features a dual 1100 CFM blower and has six speeds for fantastic versatility. Whether you cook multiple times a day or just a few times a week, you'll find the right amount of CFM between the several speed options.
