

PLFI 755 A refined design and a powerful 1100 CFM blower motor (900 CFM for 30") are the top features of our 755 island range hood. This sleek form is unobtrusive, giving you plenty of open space for one on one connection and laughter. The best part is how quiet this hood performs, even on its highest setting, the sone rating is very low, so yelling over it to hear one another won't be necessary. One of the things we love about the unique design of our range hoods is the baffle style filters. Originally designed for commercial range hoods, we've adapted them for residential use. All of our baffle filters act as mini grease channels, trapping the oil from cooking into the baffle compartments for easy clean-up. You simply remove the baffle filters a few times a month, or more frequently if you're the next Master Chef, and pop them in the dishwasher for quick and effortless clean-up!

Configuration and Dimensions

Hood Type	Island
Sizes Available	30 36 42 48 54 60
30" Dimensions	29.5" W x 26.625" D x 4.625" H
36" Dimensions	35.5" W x 26.625" D x 4.625" H
42" Dimensions	41.5" W x 26.625" D x 4.625" H
48" Dimensions	47.5" W x 26.625" D x 4.625" H
54" Dimensions	53.5" W x 26.625" D x 4.625" H
60" Dimensions	59.5" W x 26.625" D x 4.625" H
