

The PLFW 544 is an ultra-quiet wall range hood that runs at just 4.5 sones at full power. This is one of our quietest models, and it still manages a powerful 600 CFM – great given its small five-inch profile height. The 544 is rated at 600 CFM which ensures fresh kitchen air. The six-speed blower is incredibly versatile and easily adjustable thanks to the user-friendly push buttons on the front of the hood. The 544 comes complete with two LED lights that will brighten your cooktop for many years. You'll also enjoy dishwasher-safe mesh filters to save you time cleaning. The 544 is not only convenient but also modern. It features a tempered glass cover and is manufactured with 430 stainless steel. Try your own PLFW 544 today. You have the choice of ducted or ductless: it's up to you!
