

The PLFW Vector is a beautiful low profile range hood that is a beautiful finishing touch to your kitchen. This range hood ducts to the outside to ensure that all of the dirt, grease, and smoke produced from cooking does not linger in the kitchen. Complete with a 600 CFM blower, this wall range hood cleans your kitchen air in just minutes. Not to mention that you can adjust between three blower speeds, giving you a lot of flexibility while cooking. The PLFW Vector features a unique rounded design with a stainless steel push button control panel under the front of the hood. It's our only model with this unique rounded design, available in both 30" and 36".
