

The PLGW 129SC

range of range hoods are stylish, professional-grade appliances that will keep your kitchen air clean and fresh. They feature sleek, tapered designs with stainless steel controls and LED lights. The 129SC.30 and 129SC.36 models have 900 CFM single blowers, while the 129SC.42 and 129SC.48 have 1200 CFM dual blowers. The stainless steel baffle filters are easy to remove and clean, and the dishwasher-safe LED lights can be adjusted to provide the perfect amount of illumination. Plus, the time delay touch controls allow you to set the hood to turn off after a certain amount of time.

The PLGW 129SC range hoods are a great choice for anyone looking for a reliable, stylish, and easy-to-use range hood. They are perfect for any kitchen, and they will add a touch of style and functionality to your space.
