

PLGW BBQ PRO UC

Transform your home kitchen with the ProLine Under Cabinet Range Hood, perfect for passionate home chefs. Crafted from 1.2mm solid 304 stainless steel, this range hood promises outstanding durability and a sleek, modern look. It features a maximum of 2000 CFM with two independently controlled 1000 CFM blowers, providing precise control over your kitchen’s ventilation and ensuring a fresh, clean cooking environment.

Our advanced high-efficiency baffle filters enhance airflow and effectively capture particles, keeping your kitchen pristine. Illuminate your cooking space with the sealed 3W dimmable LED gimbal spotlights, designed to withstand high temperatures and offer bright, adjustable lighting. The easy-hang bracket system ensures a hassle-free installation process, making it simple to upgrade your kitchen.

Available in 42”, 48”, 60”, and 72” sizes, the ProLine Under Cabinet Range Hood combines top-tier performance with stylish design, making it an essential addition to any modern kitchen. Experience superior ventilation, durable construction, and enhanced lighting that complements your culinary creativity, all while maintaining a fresh and inviting kitchen atmosphere.
