

PLGW BBQ PRO WC

Upgrade your outdoor cooking space with the Proline Wall-Mounted BBQ Pro Model with Chimney, designed for superior durability and performance. Constructed from 1.2mm solid 304 stainless steel, this range hood withstands the harshest outdoor conditions, ensuring longevity and a pristine appearance. The built-in chimney efficiently directs smoke away from your cooking area, enhancing safety and maintaining a clean environment.

Equipped with dual 1000 CFM motors (totaling 2000 CFM) and 4 adjustable speed settings, this model provides effortless control over ventilation, creating a smoke-free outdoor kitchen. The advanced baffle filters maximize airflow while effectively capturing grease and particles. The stylish, tapered design adds a modern touch, blending functionality with aesthetic appeal.

Illuminate your cooking area with the bright, adjustable 3W dimmable LED gimbal spotlights, designed to provide perfect lighting regardless of the time of day or weather conditions. The easy-hang bracket system ensures a quick and hassle-free installation process. Experience top-tier performance and enhanced safety with this durable, stylish, and highly functional range hood.
