

PLGW BBQ ULTRA UC

Introducing the Proline Ultra BBQ Under Cabinet Range Hood, a premium addition to your outdoor kitchen designed to handle any grill temperature and withstand all weather conditions. Bolstering a 1.2mm thick, high-grade 304 stainless steel design, our BBQ range hoods offer exceptional durability and resistance to rust and corrosion, ensuring long-lasting performance in any environment.

Engineered to endure high grill temperatures and harsh weather conditions, including heavy rain, snow, and extreme temperatures, the Proline Ultra BBQ ensures consistent ventilation and reliable operation. Its powerful dual 1000 CFM motors (totaling 2000 CFM) provide effective smoke and odor removal, while its quiet operation allows you to enjoy your outdoor space without disruption. The advanced baffle filters enhance airflow and capture grease and particles, keeping your cooking area clean.

Available in 42", 48", 60", and 72" widths, this range hood is designed for ease of installation with an easy-hang bracket system. The low maintenance design means you can focus on enjoying your cooking experience without worrying about upkeep. Illuminate your outdoor cooking area with bright LED lighting, ensuring perfect visibility at any time of day. No one else offers a BBQ range hood with superior quality at an affordable price. That's why the ProLine Ultra BBQ Under Cabinet Range Hood is the ideal choice for your grilling and barbecuing needs.
