

**Our PLJI 103** has a beautiful shine. Its elegance is matched by its power, with a 1200 CFM dual blower perfect for any cooking style. You can adjust the hood to four different speeds using a stainless steel push-button control panel and enjoy conversing with guests on any setting. For your convenience the panel is also on the opposite side of the hood. If you need any additional lighting while cooking, you're in luck. The PLJI 103 includes bright LED lights to illuminate your entire cooktop. You'll be done cooking in no time. And once you're finished, cleaning is no longer a chore. The hood features dishwasher-safe stainless steel baffle filters. It only takes a few seconds to easily remove them and toss them into your dishwasher. Don't wait to enjoy convenience in your kitchen.
