

PLJW 113 The versatile PLJW 113 comes as ducted and ductless. Simply purchase the recirculating kit with your order, install it on top of the hood, and you're done! It is manufactured in a beautiful 430 stainless steel finish and features a modern, sloping design that you'll love! The black LCD touch panel is incredibly sleek, a favorite feature of many of our customers. The PLJW 113 comes with stainless steel baffle filters, which efficiently trap grease and dirt to keep your air contaminant-free. The 113 wall/under cabinet range hood proves that looks can be deceiving. It features a four-speed blower that is rated at a whopping 900 CFM. This wall range hood comes with LED lights that illuminate your cooktop. Turn these on while cooking for a smooth experience in the kitchen. Call us today to order your PLJW 113.
