

PLJW 120 With the PLJW 120, you'll enjoy a smooth cooking experience. The 120 features a dual 900 CFM blower, keeping your kitchen grease and smoke-free. Your indoor air will be better than ever as all your guests will enjoy fresh air in the kitchen. The PLJW 120 is so easy to use, featuring a highly visible and sleek touch control panel. It contrasts nicely with the stainless steel finish and offers great functionality, including blower speed and lights control. Manufactured in durable 430 stainless steel, the PLJW 120 is easy to clean and maintain, saving you time and effort. The stainless steel baffle filters are also durable, built for commercial use. They will last you years and, as an added bonus, they are dishwasher-safe! And don't forget about the LED lights! These keep your cooktop exceptionally bright. Cooking won't be a chore any longer with your new PLJW 120 wall range hood.
