

**The PLJW 129 RK600** offers powerful air purification without the need for external ducting. Its 600 CFM blower and stainless steel baffle filters efficiently capture smoke, grease, and odors, making it an ideal solution for homes without existing vent systems. Built from durable 430 stainless steel, this sleek hood blends seamlessly into both indoor and outdoor kitchens.

Designed with user-friendly push-button controls, four-speed fan settings, and energy-efficient LED lighting, this hood provides effortless operation and bright, reliable illumination. With quiet performance at just 5.5 sones (52.5 dB), the PLJW 129 RK 600 keeps your kitchen fresh while maintaining a peaceful atmosphere—all backed by Proline’s 17 years of ventilation expertise.
