

The PLJW 133 is a reliable wall mount range hood for your kitchen. It is complete with a powerful 900 CFM blower that will vent your kitchen air outside with ease. The 133 model features stainless steel baffle filters and bright LED lights. The baffle filters are the most efficient on the market, guaranteed to capture all the grease and dirt from your kitchen air. The PLJW 133 is incredibly user-friendly, thanks to the stainless steel push buttons in front of the hood. Adjust the blower speed to four different levels, allowing you to cook whatever you like. You can also control the lights and main power at the push of a button. Jump start your kitchen remodel today with our PLJW 133.
