

The PLSI 570 Get it while you can! The 570 Island hood always sells out quickly, people love the euro style and the modern feel that this hood gives to any kitchen. The LED lights, along with being energy efficient, can rotate 360 degrees, giving you the ability to light your cooktop exactly how you want it. You can also convert it to ductless operation with the purchase of our charcoal filters, making it perfect for apartment living. Now includes the SuperQuiet 550 CFM blower, which allows you to have a quieter kitchen while doing the same amount of work.
