

PLSW ProS

The PLSW ProS Wall Mounted Range Hood stands as a pinnacle of modern kitchen design, embodying a perfect fusion of efficiency, performance, and striking aesthetics. Designed with a keen eye for detail, its sleek, contemporary appearance makes it an ideal centerpiece for any upscale kitchen, symbolizing elegance and advanced design. At its core, a powerful 550 or 1200 CFM motor ensures the kitchen remains a clean, welcoming space by efficiently removing smoke, odors, and contaminants, all while being environmentally conscious by maximizing airflow with minimal energy consumption.

Operating quietly at 13 Sones/65 dB, the PLSW ProS combines potent performance with silent operation, thanks to high-quality components and thoughtful design. Enhanced with two 1.5W LED lights for bright, efficient illumination and an intuitive digital touch control panel for easy speed adjustment (150/300/400/550 or 300/600/900/1200), this range hood offers a seamless cooking experience, blending unparalleled style with unmatched functionality.
