

PLSW 115

a sleek, powerful addition to modernize any kitchen. Designed for seamless integration under standard cabinets, this range hood not only enhances your kitchen's aesthetics but also boosts its functionality. With a robust 600 CFM motor, it efficiently eliminates smoke, odors, and pollutants, ensuring a fresh and clean cooking environment. Despite its powerful performance, the PLSW 115 operates quietly at just 13 Sones (65 dB), preserving the peace of your kitchen space without compromising on efficiency. Its compact design fits neatly under cabinets, maintaining a clutter-free look while offering top-tier air purification. Ideal for home chefs and kitchen enthusiasts alike, the PLSW 115 combines elegance, quiet operation, and high efficiency, making it an essential upgrade for a more enjoyable cooking experience.
