

PLSW 185 Family

The PLSW 185 model is a testament to the perfect blend of elegance and functionality in kitchen ventilation technology. This range hood goes beyond its stylish exterior to deliver a powerhouse performance in air quality maintenance. Equipped with a robust 600 CFM motor, it efficiently eradicates smoke, odors, and airborne pollutants, ensuring your kitchen remains a clean and inviting space.

Despite its powerful capabilities, the PLSW 185 operates at a low noise level of 13 Sones (65 dB), purifying your kitchen's atmosphere while preserving its tranquility. The inclusion of two 1.5W LED lights adds a thoughtful touch, providing bright, energy-efficient lighting that enhances visibility and enriches the cooking experience.

Featuring a user-friendly digital touch control panel with four adjustable speeds, this range hood allows for easy customization of ventilation to match specific cooking needs.
