

Recirculating Kit

Our recirculating kit has everything you need to convert your ducted range hood to ductless. It's easy to install and compatible with several of our wall range hoods. These include our PLJW 101, PLJW 102, PLJW 105, PLJW 108, PLJW 109, PLJW 113, PLJW 120, PLJW 121, and PLJW 185.

If you live in an apartment or condo, your landlord may not allow you to duct to the outside. In this case, a recirculating kit is a great option for you. This way, you can enjoy the beautiful look of a ducted hood and recirculate your kitchen air, too. Buy yours today!
