

PLFL Classic Dual With the PLJL Classic Dual, you can build your beautiful custom hood and enjoy the exceptional power and design of this range hood insert. It's our newest Professional Series Custom Range Hood Inserts and has been designed from the ground up to be easy to configure just the way you want it and easy to install. You will find a powerful 1200 CFM dual blower setup that runs at a maximum noise level of 6 sones, with a regular running volume of 3-4 sones, or the volume of a quiet conversation, meaning that it is extremely quiet and easy to converse around. And very importantly, it is easy to clean and 100% Stainless Steel to ensure that this insert will perform flawlessly for years.
