

PLFL 832 The PLFL 832 range hood insert is an incredibly efficient kitchen fan for your home. The single 1000 CFM blower will clean your kitchen air with ease. This range hood insert features a versatile six-speed control panel under the front of the range hood. It is easily accessible and easy to use, thanks to featherlight touch buttons and a digital display that shows the time and blower speed. The 832 insert also includes bright LED lights that keep your cooktop bright while you're cooking. Not to mention that the stainless steel baffle filters also make your job easier in the kitchen. They are dishwasher-safe so you can let your dishwasher tackle the tough stains for you. The PLFL 832 has everything you need in a range hood insert.
