

The PLFW 750 is a modern, sleek wall range hood that features a unique rectangular design. This wall hood is finished with a durable 430 stainless steel made with premium-grade materials. With this finish, your range hood will last you for years to come. The 750 features a 900 or 1100 CFM dual blower, making it a great option for cooking greasy and fried foods. This wall mounted range hood features a six-speed LED display panel that's easy to use. You can modify the blower speed to match your cooking style and really personalize the hood to your specific needs! The 750 pulls air through stainless steel baffle filters that catch grease and dirt from your kitchen air, keeping it fresh and clean. They are dishwasher-safe too, saving you the hassle of scrubbing. Rounding out the PLFW 750 are two LED lights, which illuminate your cooktop and last for thousands of hours of use. The PLFW 750 will ensure that cooking is an enjoyable experience for you.
