

PLJL.INS If you're looking to remodel, the PLJL range hood insert is for you. Build your beautiful custom hood to enjoy the exceptional design and unparalleled power of this range hood insert. The PLJL insert can be installed in just a few easy steps. With its 900 CFM single blower (or 1200 CFM for dual blowers), you'll be breathing clean air in no time. At its max power, the PLJL insert only produces 7 sones, equivalent to normal conversation, allowing you to socialize with and enjoy the company of your guests. Turn the power down with four-speed elegant stainless steel push buttons for an even quieter experience. Invite people to your home and they won't even notice the insert as it keeps your kitchen fresher than ever. If you're cooking quite a lot of food, press the convenient time-delay button that turns your hood off after 15 minutes. It will ensure that your cooking space is smoke, dirt, and grease-free. Enjoy a pristine kitchen with the PLJL range hood insert.
