

The PLJW 108 is a sleek stainless steel wall mounted range hood that is the perfect fit for your range. This hood includes a 1000 CFM blower that will clean your air with incredible efficiency. You can cook to your liking with this impressive amount of power. We know that you may not always need the high-CFM setting, so you can use the four-speed control panel to match your cooking style. It's nicely concealed under the front of the hood and it includes LED lights controls as well. These long-lasting lights will keep your cooktop bright and elevate your cooking experience. Finally, you can enjoy dinner while your stainless steel baffle filters are being cleaned in the dishwasher. In fact, the entire hood is easy to maintain thanks to its durable 430 brushed stainless steel finish. The PLJW 108 has everything you need in a wall range hood.
